## Technical

The Connect table is a modular table system that has been designed to facilitate smart working. With integrated connectivity and power, you simply plug in and start work. Available as a stand alone table or as modular sections that connect to form the desired length. With optional cable management trays, Connect comes in two sizes, 1200mm and 1500mm deep, to enable a multitude of uses from desk to meeting table. Available with either a white or black solid core top, powder coated steel frame and beech legs in a black or white finish or natural ash legs, Connect offers a simple and elegant solution to the demands of the modern workplace.
