

Edge Freestanding storage

PearsonLloyd

Technical

Complementing the Edge table system and carrying forward its signature aluminum frame, Edge freestanding storage offers a flexible, simple and elegant solution to the practical problem of where to put everything. Available in two heights, three widths and in multiple configurations, including open and closed compositions, Edge freestanding storage continues the refined, domestic aesthetic and the beautifully crafted engineering that makes every piece in this collection equally at home in office or living space.

Materials

Top	Available in a selection of materials, see finishes.
Frame	Powder coated aluminium.
Legs	Powder coated aluminium, with nylon adjustable glides.
Carcass	Textured lacquer on MDF with birch interior drawers.
