

# Edge Integrated storage

PearsonLloyd

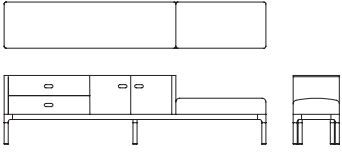

## Technical

Edge integrated storage can be used to create boundaries and break up large, open spaces into defined zones without impinging upon views, light or air flow. Sharing the aluminium frame and elegant simplicity of all the ranges in the portfolio, Edge integrated storage is available in numerous configurations including both open and closed storage. Integrated benches create informal break out areas that soften and bring relaxed refinement to the workplace.

### Materials

Top	Available in a selection of materials, see finishes.
Frame (upholstery)	FSC ply, glued and screwed
Foam	CME foam.
Frame	Powder coated aluminium.
Legs	Powder coated aluminium with nylon adjustable glides.
Upholstery	Available in a wide range of fabric and leathers or your own fabric. (COM)
Carcass	Textured lacquer on MDF with birch interior drawers.
