

# Geta Sofa

Arik Levy

## Technical

Geta is a pared back modular sofa system by Arik Levy. Generous in proportion and comfort, the system was inspired by 'geta'- Japanese wooden sandals - and sits raised on an oak or upholstered plinth. Distilled to the purest form, the many different modules enable a huge variety of configurations with optional oak storage.

### Materials

Frame	FSC ply, glued and screwed
Foam	CME Foam
Plinth	Solid Oak, black stained and clear lacquered finish. Optionally available upholstered
Upholstery	Available in a wide range of fabrics and leathers or your own fabric (COM)
