

# Meta

Simon Pengelly

## Technical

Meta is a multi award winning modular shelving system that can be extended to any length simply by adding additional bays. Versatile, simple and practical, Meta has been with us since our beginning and has now been re-engineered to offer even greater flexibility. Constructed from folded steel with aluminium legs Meta is available in a black or white powder coat finish.

### Materials

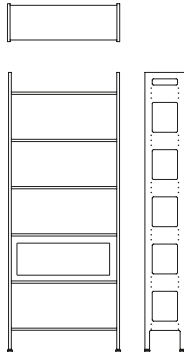

Upright	Folded sheet steel, powder coated finish in RAL 9016 Traffic White or RAL 7021 Black Grey
Shelves	Folded sheet steel, powder coated finish in RAL 9016 Traffic White or RAL 7021 Black Grey
