

# PLC Wire

PearsonLloyd

## Technical

PearsonLloyd's PLC wire chair is a multi purpose stacking chair that borrows the curved seat and back from the popular PLC chair and combines them with a light, ski base. Crafted from pressed ply with upholstered seat and back, oak veneer or matt painted finish, PLC wire has a steel rod base available in a satin chrome finish or a range of colours.

### Materials

|                       |   |
|-----------------------|---|
| Frame                 | Mild steel in satin chrome, or powder coated finish in RAL 7038 Agate Grey or RAL 7021 Black Grey |
