

Quiet

Michael Sodeau

Technical

Michael Sodeau's Quiet chair is an easily accessible chair with a comfortable and familiar appeal. Perfectly balanced, with a slim, moulded foam shell with soft rolled edge atop simple wooden legs or a cast aluminium swivel base, Quiet is compact, modest and unobtrusive, offering surprising comfort for its compact size and fitting quietly into a wide range of schemes.

Materials

Shell	Cold cure polyurethane foam over a steel tubular frame fully upholstered
Swivel Base	Die cast aluminium available in a polished or powder coated finish in RAL7021 Black Grey or RAL9016 Traffic White, with nylon glides
Timber Base	Solid oak in natural or stained black
Upholstery	Available in a wide range of fabrics and leathers or your own fabric (COM)
